FAQ:

I didn't graduate but I'm not attending college anymore, what does that make my status?

If you willingly left your college with *no* academic or disciplinary measures taken, and you left in good standing with your chapter and the Sorority, then your status is Alumni. Make sure your chapter makes this update in OMRS. You are eligible for Life Membership and Memberships with TBSAA and NEDAA.

I transferred to a school that doesn't have a TBS or KKPsi chapter, what does that make my status?

Same answer as above, if you willingly left your college in good standing with the college and your chapter, then your status is Alumni so long as your chapter updates your status in OMRS. You are eligible for Life Membership and Memberships with TBSAA and NEDAA.

As a life member, am I allowed to vote on chapter business?

No. There are many benefits to life membership, but being able to vote in chapter meetings is not one of them. Any participation with the active chapter, whether it's sitting in on meetings, attending degrees and other events, and other forms of support is at the discretion of the active chapter (not the alumni). The only time you are allowed to vote is if you sit as a delegate for your home chapter at National Convention.
